**Purpose:** 100% of participants' entry fees go to help Gambians in need. The proceeds go directly to Gambia, no government interference. . This year we hope to provide rural Gambians with housing for teachers. Last year we helped the Gambians with tree protection where deforestation is a real problem,

The 5 previous years you have helped provide 2000 goats, seed, food, blankets, shirts, gristmill, 5 water wells in Zambia, and 1 in Uganda.
