For 3 weeks we will unpack what Jesus tells us not to do and we will discover that in not doing these things we will become the kind people He wants us to be.

The **Celebrate Recovery** ministry would like to begin providing childcare and simple meals for participants on Tuesday evenings here at the church! If you are interested in helping please contact Deb at 715-558-1431.

MISSIONARY OF THE MONTH (Your Faith Promise \$\$ at work)
Rob & Monica Rogers, Muslim Majority Country

The Fotizo people are an unreached Muslim group located in Turkey with a population of more than 70 million. In this spiritually dark place, most people have never heard the gospel message or were taught from an early age that they should not read the Bi-

ble. Rob and Monica, long-term Global Partner missionaries and their 2 children, seek to shine the light of Jesus among those living in this darkness. They intentionally engage people in spiritual conversations and sow the seeds of God's truth. Through evangelism and discipleship, it is their desire to see God raise up local believers who will then go and make disciples of those around them. The Rogers invite you to join them in the redemption story of the Fotizo people through your support and prayers as they continue this mission.
