

Welcome to Hayward Wesleyan Church

We are a community of people who are being changed by the love of God. We're down to earth and upbeat. We believe that it's the gospel of Jesus that truly changes people and those people are the ones who bring about change in the world. ***There's a place for you!***

So that we know you are here today, we ask EVERYONE to please either check-in using the Church Center phone app or fill out the Connect Card located in the chair seat back (one per family) and hand it to a Host Team Member on your way out.

If this is your first time here, thank you for coming!

We are grateful to have you! We would love to know who you are and help you get connected to the church body. Please fill out a card found in your seat back pocket and hand it to one of the host team members on your way out today.
